Men's Health Lunch

Sponsorship Proposal

Thursday 1 May 2025
Members' Dining Room
Melbourne Cricket Ground
Jolimont Terrace, Jolimont

Invitation

The Epworth Medical Foundation is pleased to invite you to become a key sponsor of the Epworth Men's Health Lunch, to be held on Thursday 1 May 2025 in the Members' Dining Room of the Melbourne Cricket Ground.

In addition to being an informative and educational forum with associated networking opportunities, the event also enables the foundation to raise much-needed funds to purchase highly advanced medical equipment, foster bench-to-bedside research and fund educational opportunities for staff to learn world's best practice in their fields, all of which helps Epworth to stay at the forefront of patient care in Australia.

Each year the luncheon brings a different health issue to the fore. This year's topic will focus on spine health.

Please find the details of the event outlined on the following pages, together with the various levels of engagement and associated benefits. We do hope that you can join us.

Background

About Epworth

Epworth HealthCare is Victoria's largest not-for-profit private hospital group, renowned for excellence in diagnosis, treatment, care and rehabilitation. Epworth is an innovator in Australia's health system, embracing the latest in evidence-based medicine to pioneer treatments and services for our patients.

Our 7,000 strong band of highly-trained and dedicated staff deliver specialist services across 11 sites in Melbourne and Geelong.

At Epworth, our patients are at the heart of everything we do. Supported by world-class facilities, we integrate clinical practice with education and research in order to deliver outstanding patient care each and every day.

About Epworth Medical Foundation

The Epworth Medical Foundation (EMF) raises essential funds to ensure that our patients receive the best possible care.

This means ensuring they are cared for in world-class facilities by leading specialists with access to state-of-the-art equipment, ground-breaking research and clinical trials, and that patients and their families are supported by a compassionate and highly skilled team.

Epworth was founded by philanthropy when a generous gift helped establish the first hospital on the Richmond site in 1920. For over 100 years, our generous community has continued to underpin our simple yet unwavering commitment to provide exceptional care to each and every patient we treat.
